25 July 2017

Parent/Guardian:

Your child is currently studying SC730 General Science. As part of their studies, they are learning about our Great Barrier Reef, the animals that live and interact with the reef and the impacts caused to the reef by human interactions, including global warming and coral bleaching.

An excursion to the Great Barrier Reef is planned for **Friday 1 September from 5.30am – 8.30pm**. Students will be given the opportunity to participate in a day of snorkelling at Hardy Reef and complete a number of activities directly linked to their assessment and learning experiences for this term. This will be explained in class **BEFORE** attending the excursion.

Students attending the excursion must be at school **NO LATER than 5.15am for a 5.30am bus departure** to the Port of Airlie. They will then be transported by Whitsunday Cruises to the reef where they will be snorkelling and taking part in various related activities. Dress for this day will be casual clothing which is suitable for sun exposure. They must also have a wide brimmed hat, sunscreen, sunglasses, a water bottle, snacks for the bus trip and any snorkelling equipment they would like to bring on the day.

The cost is \$125 per student which includes the bus trip, boat transfers, all equipment, lunch, morning and afternoon tea. For your child to attend, please complete the permission slip below, enclose the full amount of money and return it to the Finance Office in an envelope clearly marked on the front with their name and Homeroom and the wording 'Reef Trip' **BEFORE** Friday 18 August 2017.

Please check your child's medical details through Parent Lounge as this may be used during the excursion.

If you have any questions or concerns regarding this excursion, please contact me on 4969 4199 or via email angela_petrow@mercymackay.qld.edu.au

Regards

Ms Angela Petrow
Acting Head of Department, Science

Mr Jim Ford
