

Textbooks

All textbooks are hired out to students by the College. The hire charge is set at the same amount as the State Government Book Allowance for each year level. This allowance comes in the form of an annual cheque payable to the school. All lost books must be paid for and borrowing rights are suspended until this is done.

Diary

A diary is provided by the College out of the General Purpose Levy. Students will be asked to purchase a new diary if it is lost or contains inappropriate material. Replacement cost is approximately \$10. The diary is the **most important form of communication between teachers and parents**. It also contains the student's homework and assessment requirements and College rules.

Additional items may be necessary in some units.

Advice regarding these requirements will be issued upon commencement.
